

How to create a CardiacCrash fundraiser:

1. Go to www.fundriaseyourway.ca/cardiaccrash and click **Start a fundraiser**.
2. Enter your fundraiser name, fundraising goal, and page details and click **Next**.

A screenshot of a web form for creating a CardiacCrash fundraiser. The form has two tabs: 'General information' (selected) and 'Additional settings'. Under 'General information', there is a toggle for 'Fundraiser is bilingual' which is turned off. Below that is a label 'Fundraiser name' with a red asterisk, followed by a text input field containing the placeholder 'Enter your team name here'. Then is a 'Meta description' section with the text 'Ride, walk or run alongside thousands across Canada to support vital heart disease and stroke research.' Below that is 'In support of' with the text 'Heart & Stroke Foundation'. Then is a 'Goal' section with two radio buttons: 'Amount raised (CAD)' (selected) and 'Number of donors'. Below that is an 'Amount' label with a red asterisk, followed by a text input field containing '\$500'. Then is a checkbox labeled 'Display fundraiser progress publicly' which is checked. At the bottom, there is a light blue box with the text 'For display purposes only, and does not affect when this campaign opens or closes.'.

3. Enter your personal information, check **Agree to waiver**, then click **Create Fundraiser**.

Back Create Fundraiser

Note: When asked to **Sign up or log in**, enter your email and follow the prompts to either create a new account or use your existing password to continue.

4. This will take you to your new CardiacCrash fundraiser!

We encourage you to take the time to customize this page using the **Manage fundraiser** menu to let people know why you're raising funds for Heart & Stroke. When you are ready to invite members to your fundraiser, you can do so by sharing your fundraiser link, or by using the mailing list option to send one of our templated email invitations.
