

Changing your fundraiser message and photo

Follow these steps to find your Fundraiser dashboard and change your photo and message.

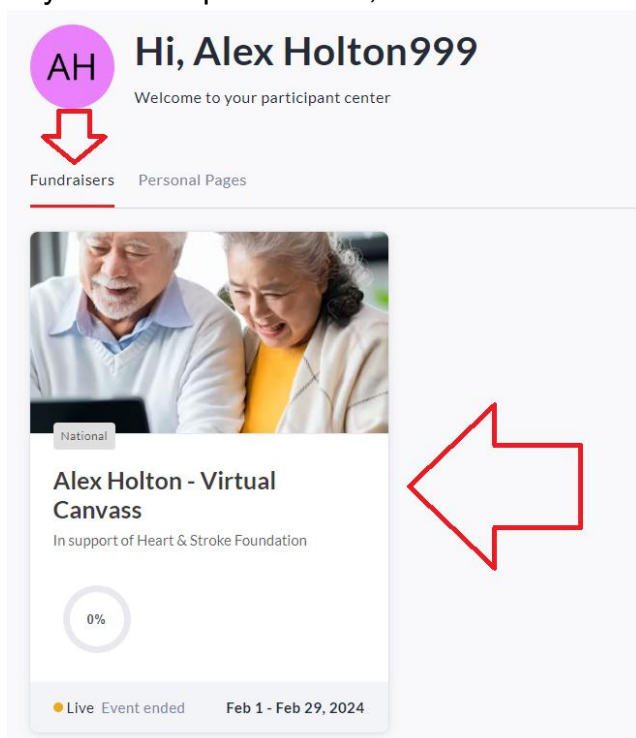

1. Visit www.fundraiseyourway.ca and click **Login** at the top right.

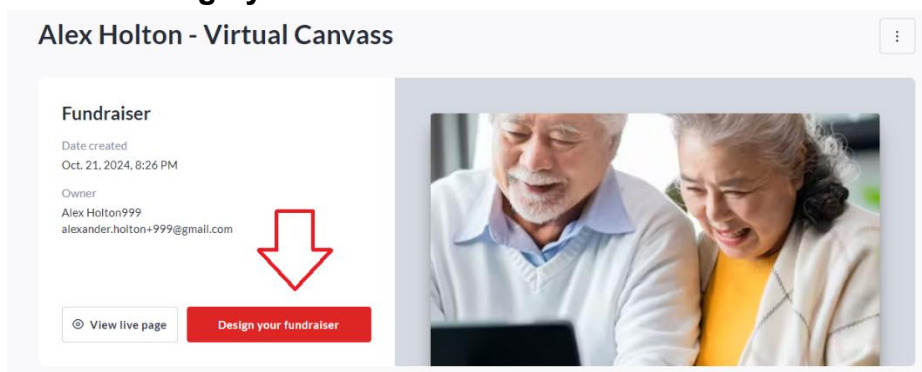

2. Click on **Participant center** in the top menu bar.

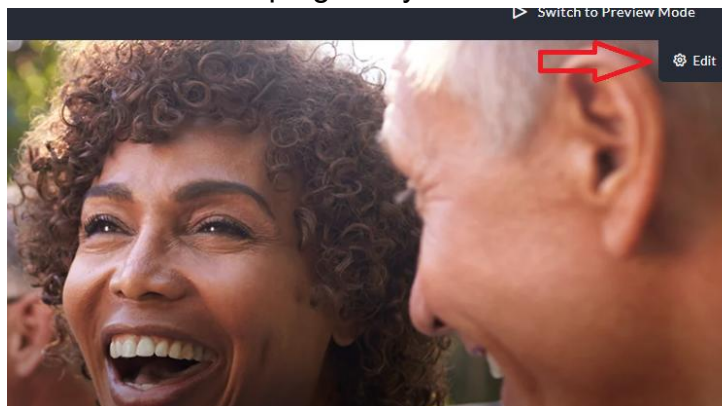

3. In your Participant Center, click **Fundraisers** then your fundraiser tile.

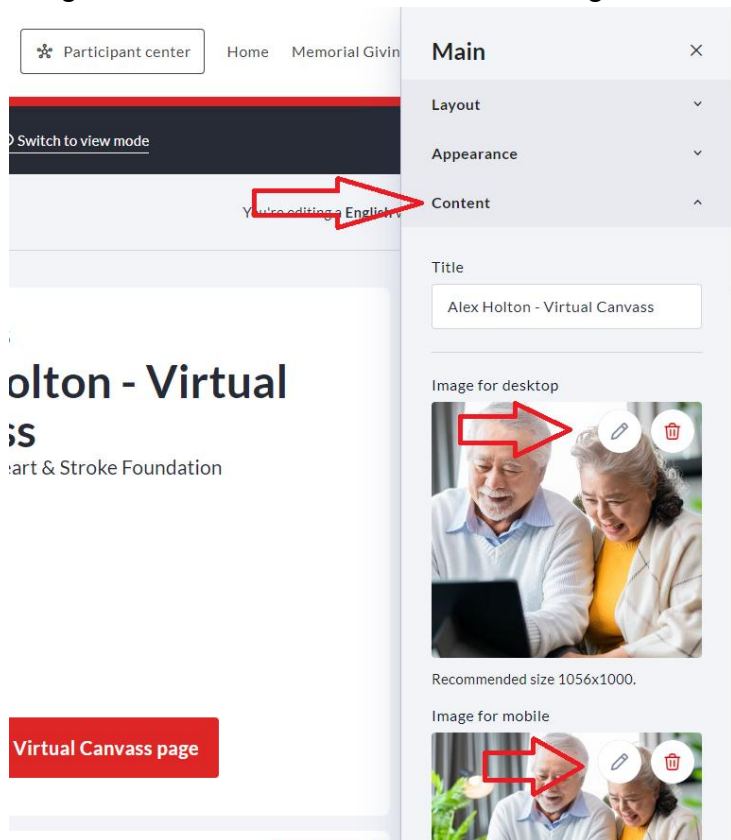

4. Click on **Design your fundraiser** in the menu bar.

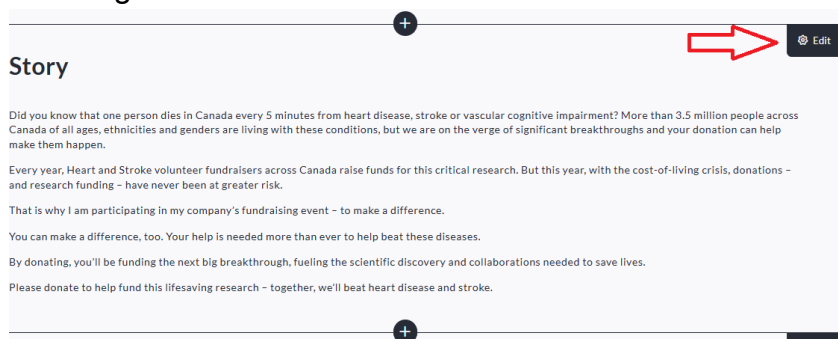

5. Click **Edit** in the top right of your fundraiser banner:

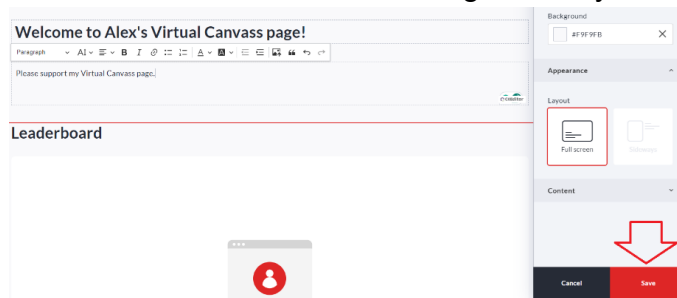

6. Click **Content** in the menu that appears on the right and then the edit pencil icon on the **Image for desktop**. This will open a menu where you can select the image of your choice from your device or computer. Repeat this process under **Image for mobile**. Once you have added your images, click **Save** at the bottom of the right-side menu.

7. To change your Fundraiser page text, on the same page, scroll down to the text you would like to change and then click on the **Edit** button.

8. Click **Save** in the menu on the right once you have made all your text updates.

You have now updated your photo and message!
