

How to create a fundraiser:

1. Go to <https://www.fundraiseyourway.ca/memorial> and click **Create a fundraiser** to get started.
2. Proceed to the fundraiser creation form and enter the name of the person you are raising funds in memory of, your fundraising goal, and fundraising page details and click **Next**.

> General information > Additional settings

Back Create Fundraiser

A red arrow points to the 'Agree to waiver?' checkbox. Another red arrow points to the 'Create Fundraiser' button.

Note: When asked to **Sign up or log in**, enter your email and follow the prompts to either create a new account or use your existing password to continue.

4. This will take you to your new Give in Memory fundraiser.

We encourage you to take the time to customize this page using the **Manage fundraiser** menu. When you are ready to share your fundraiser with others, you can do so by sharing your fundraiser link, or by using the mailing list option to send a templated email invitation.
