3. **Enter your personal information**, check **Agree to waiver**, then click **Create Fundraiser**.

The screenshot shows a fundraising form with the following elements:

- A phone number field at the top containing "(222) 222-2222".
- A dropdown menu for "Are you under 18 years of age?" with "No" selected.
- A dropdown menu for "Is this fundraiser in memory or in honour of a loved one?" with "Not applicable" selected.
- A checkbox labeled "Agree to waiver?" which is checked. A red arrow points to this checkbox, and a "[View]" link is next to it.
- At the bottom, there are two buttons: "Back" and "Create Fundraiser". A red arrow points to the "Create Fundraiser" button.

Note: When asked to **Sign up or log in**, enter your email and follow the prompts to either create a new account or use your existing password to continue.

4. This will take you to your new Virtual Canvass fundraiser! To find your page, click on the "Participant center" button at the top right while logged in, then click your Virtual Canvass tile under "fundraisers".
