

Three easy steps to make a stock donation that saves lives.

Step 1:

Please complete all sections of the securities transfer form attached.

For privacy reasons, your broker cannot disclose your name to us, so please complete the Donor Information section, including your daytime phone number with area code. Your advisor/broker will provide the CUSIP # which acts like a transaction number in case the transfer needs to be tracked.

Step 2:

Send a copy of the completed transfer form to Gabrielle Payette-Hébert, Legacy Advisor at Heart & Stroke.

This step is important because securities are transferred into our account without your name listed. We value every gift and want to provide you with an accurate tax receipt and appropriate recognition to honour your donation. Therefore, it is important for us to receive your name and address details.
