

A lifesaving gift, a legacy of hope

Making a gift of securities

A step-by-step guide

Step 1:

Contact the Heart & Stroke Securities Administrator by phone at 403-351-7051 or by email at securities@heartandstroke.ca. We will provide you with the account number and are happy to assist you with making your donation.

Step 2:

Complete all sections of the securities transfer form. Please complete the Donor Information section, including your daytime phone number with area code. Your advisor/broker will help provide the information you need.

Step 3:

Email a copy of the completed transfer form to the Securities Administrator via email at securities@heartandstroke.ca. Securities are transferred into our account without your name. We want to provide you with an accurate tax receipt in a timely manner and provide appropriate recognition to honour your generous gift. It is important for us to receive your name and address details via the completed transfer form.

Step 4:

Email the completed transfer form to your broker or investment advisor. Your broker or investment advisor is responsible for initiating the transfer.

Additional information:

Securities, shares and stocks are considered legally transferred only when our custodial agent RBC Dominion Securities confirms delivery. Your receipt is valued based on the closing price on the day when the shares are legally transferred to Heart & Stroke's account. Heart & Stroke's policy is to sell the shares as soon as possible after they have been received.

For more information, contact:

Securities Administrator
