---

**TABLE TOP CURLING**

**Ready**
- Invite 3 family members or friends to play.
- Sit in pairs at the opposite ends of a table.
- Slide an object, such as a coin or large paper clip, so that it stops as close to the table edge as possible. Take turns sliding the object.

**Scoring**
- Within a hand's width of the table edge - score 1 point.
- On the table edge - score 2 points.
- If it falls over the edge subtract 1 point.

**Set!**
- Practise a couple of times to make sure you are ready.

**GO!**
- Have fun!
- You can have 2 games going at once! See above illustration.
- Try it with an object that rolls - e.g. tennis ball, ping pong ball, marble.
- Try a game where you aim for the corner of the table instead of the edge!
- Can you change the game to make it REALLY ACTIVE?
